### Common Grounds Café Update...

Wow! Where has time gone? Here we go closing out 2020 and bringing in 2021! What a different year this has been. Even though it has been such a crazy year it has also been an awesome year. God has been so faithful! So where do I start with this? This year has been filled with unknowns but also has been filled with great joy. Here at Common Grounds Café we keep moving forward and prepare for the time when we can open and begin serving homemade foods to our community. We have done so many repairs, updates and cleanings that it is just crazy. So where are we at? Currently the fire suppression hood is being installed and will be completed the last week of December to first week of January. Once all is installed and inspection is complete, we will once again clean, then unpack dishes, set up, did I mention CLEAN and get ready for the final inspection with the health department. Please be in prayer that everything goes smooth through these last few steps. So, this brings up the next topic, "How can you get involved?" As you know, the café will be staffed by volunteers, so if you are wanting to get involved with serving, washing dishes, some food prep or maybe even just greeting people as they come in, we can find a spot for you! We are looking forward to serving our community through the Love of Jesus here at Revive Ministries, Common Grounds Café! You can contact us at Revive, stop in at the café or through Revive Ministries and Common Grounds Café Facebook page.

God Bless, Rob
