THANK YOU

Once again we want to express a huge THANK YOU to our community! Revive has continued to be blessed in AMAZING ways. We have received several donations from individuals from near and far. Also several organizations have contributed to our food pantry allowing us to provide food at a minimum of 2 times per month. Thank you to Tuscola County Community Foundation, Knights of Columbus, Dairy Farmers of America, Food Bank of Eastern Michigan and many others for their generous contributions.

Common Grounds Café Update...

WOW! Where has time gone. In the midst of the pandemic we have been very busy with the remodel and moving forward with the cafe. It has been a little slow going as we have been busy in many ways here at Revive but, we did receive our transfer of ownership inspection and that went very well. Needing to make a few changes and finish some already planned repairs and additions. It is really looking nice. We are currently working on estimates for the fire suppression hood and Plan Review. Once we get through this process we will move forward with install, inspections, and license. One thing is for sure God continues to be so faithful through all of this and we continue to put it at His timing! We want to also thank the Pinney Foundation for the grant that we received and the many others that have contributed.
